Neq 24.0kg

Neq 25.0kg

The following item may be carried under this Approval in accordance with Special Provision A2 of the Technical Instructions:

Cord, detonating

Orica UK Ltd

UN0065

Class 1.1D

Neq 4.8kg

This Exemption/Approval is granted subject to the following conditions:

1. No other dangerous goods, as defined by the Technical Instructions or the Supplement, shall be carried other than those contained within a 'Field Pots Box' when carried in accordance with an exemption issued by the Director of Civil Aviation, Falkland Islands;
2. The said goods shall be packed, marked, labelled and documented in accordance with the Technical Instructions or the Supplement;
3. Any change in information provided in the application for this exemption must be notified to the Director of Civil Aviation, Falkland Islands without delay;
4. Flights made pursuant to this exemption must only be operated south of 60° South;

5. The acceptance, loading and stowage of the said goods shall be carried out in compliance with the Technical Instructions or the Supplement;
6. Proof of Dangerous Goods Training by an approved training organisation is necessary to validate this exemption;
7. No persons shall be carried other than members of the flight crew (as defined by the AN(OT)O) or persons with functions connected with the intended use of the said goods or an employee of the Falkland Islands Civil Aviation Department with official duties in connection with the flight;
8. This exemption is issued with due regard to the "Application for an Exemption: Transportation of Explosives by Air" and "Code of Practice – Explosives" and "Risk Assessment Carriage of Explosives by Air" documents as supplied by the British Antarctic Survey.

This Exemption shall have effect from **24 November 2020** until **24 November 2021** unless varied, suspended or revoked by this office.

Bruce Wilks
Director of Civil Aviation
Falkland Islands
24 November 2020
